

STEBBING PRIMARY SCHOOL NOTIFICATION OF CONSTRUCTION WORKS

DEAR PARENT/RESIDENT

Elite Systems have been appointed by Essex County Council to provide a new permanent classroom building at Stebbing Primary School. It is our intention to start initial works on Thursday 8th October and we anticipate that all works will be completed by the end of November, assuming there are no issues on site.

We would like to make you aware of planned deliveries of the building, which is pre-fabricated off-site, We intend to deliver the units on Thursday 29th October 2020. The cranes will arrive between 07:00-07:30am with the first Modular Unit arriving between 08:30-08:45am and will be followed by five lorries at 45-minute intervals. This is dependent on weather conditions on the day. Vehicle and pedestrian access to all properties will be maintained at all times.

If, due to circumstances beyond our control, the delivery is aborted we will inform you as soon as possible of the revised date for installation.

Elite Systems GB thank you for your assistance on this matter and apologize for any inconvenience caused. Elite Systems are registered with the Considerate Builders Scheme.

Please do not hesitate to contact Mr. Tim Suffield on 07539 601751 if you have any concerns or wish to discuss further. In addition, a contact board will be installed at the school.
