Dear parents,

I am writing to you following the Government's announcement yesterday evening.

At present we do not have any further clarification than that already reported in the media. As soon as we have further information I will be in touch so that we can give you as much notice as possible with regard to our plans.

As mentioned in previous correspondence, should you wish for a member of the teaching team to get in touch then we can do this via email or over the phone. Please email your child's class teacher directly or telephone the school office and leave a message on the answerphone and a member of staff will get back to you.

Best wishes to you all,

Miss Mawson
Headteacher
