A resource to support schools and families throughout the COVID-19 pandemic

Audience: Essex Schools
Author: Essex Child and Family Wellbeing Service
Issue: 2.

Your ECFWS Healthy Schools and Public Health Team are coordinating family friendly activities, advice and guidance that fall in line with the PSHE curriculum. We will be sharing these across our Facebook pages in the forthcoming week. These resources are easily adaptable and may be something you want to use in school. You can also visit, or direct families to, our [COVID-19 Pandemic Resource Hub](#) for support and guidance at this time. Please share this with your whole school community.

PSHE activities (*Ideas to support emotional and physical health*)

Title:	Talking to children about their Emotional Health
Content:	It can be hard to get your child to talk about their feelings without bombarding them with questions. Juvenile Idiopathic Arthritis at the National Rheumatoid Arthritis Society has developed a film to help you navigate ways to talk to your child about their emotional health.

Title:	Exercise at home
Content:	There are lots of online resources to help you Exercise at home, to suit all ages and abilities. NHS 10 minute shake ups are one of our favourites - with lots of Disney inspired games for the family to enjoy. Sport England's Stay In, Work Out campaign and Active Essex have lots of other great ideas too.

Did you know...

In light of COVID-19 and the current pressures on all of our services the ESCB website has a new dedicated [Coronavirus webpage](#), which aims to provide a single point of access for anyone needing information and resources in relation to safeguarding children and young people.

Essex Livewell Campaign has some excellent resources, tips and advice on managing conflict to maintain Healthy Relationships. Visit their [website](#) for all the information, or share the attached poster with your school community.

Do you need support regarding a particular child or young person?
