

BE READY, RESPECTFUL, SAFE and KIND

HEADTEACHER

I am really pleased to be able to share with you the report which has been produced following our Inclusion Review before half-term.

The report highlights what we do well as well as a couple of areas which we can continue to focus on.

INCLUSION REVIEW

I wanted to say a HUGE thank you to Erika Finch for creating the most incredible wall planters close to our fairy garden. This brightens up the area and has wowed everyone who walks past!

CLASS PHOTOS

An advanced warning that we will be having our annual class group photos taken on Wednesday 25th June

IMPORTANT NOTICES

NEXT FRIDAY 20TH JUNE IS SPORTS DAY

KEY STAGE 1 AM

KEY STAGE 2 PM

SPORTS

What a fantastic start to the summer term it has been for our sports teams who have attended multiple events over the past few weeks and have lots more to look forward to.

On Wednesday 4th June, a selected few children represented Stebbing Primary School at the Quad Kids event that took place at JFAN with all four of our squads competing superbly throughout the event in all four disciplines earning themselves a 5th and 9th place finish.

This week, year 5 and 6 have been very busy with two rounders tournaments and a tennis tournament. With three teams attending both the USSP and Dunmow family tournaments on Wednesday and Friday with two gold medals, two bronze medals and a fourth place finish to celebrate all of the hard work that the children have put into their rounders training and lessons over the past half term.

Finally, a special congratulations to our year 5 tennis squad who represented the dunmow family at the USSP finals at Stebbing Tennis Club earning a 5th fantastic place finish!

AFSS

Wow, it finally feels like summer is here! And just in a nick of time as the AFSS' summer events come closer. Fridays will see ice creams being sold for £1 on the playground after school - however weather and volunteer depending. We are also stocking up and getting ready to provide the refreshments and treats for Sports Day on 20th June. If you feel capable and enjoy chatting to people, we are always looking for smiley faces to help out with the sales. Another volunteering opportunity comes when we host End of Year Party on Friday 11th July. AFSS is manning the bar and any extra hands would be greatly appreciated on the day. The event starts at 3pm with an open ending time because we want everyone to make most of Stebbing's great community spirit. So please extend the invitation far and wide to family members and friends: we want it to be a party for all!

## HEADTEACHER AWARDS

	Friday 6th June	Friday 13th June
Wrens	Oliver & Penelope	Career & Reggie
Robins	Willow H, Matias & Robin	Alex & Joseph
Kingfishers	Isla & Millie	Ivy & Mabel
Woodpeckers	Archie & Savannah	Louie & Olivia

16.07.25	Swap over morning for the whole school
22.07.25	Leavers assembly 10am
22.07.25	Last day of term

## SCIENCE WEEK

(MRS HAMMOND)

As always our first week back at school was designated to lots and lots of science for science week. This year the theme of the week was change and adapt. It was lovely to see the children in KS1 creating some amazing junk modelling animals, doing some adaptation deep sea yoga and observing the changes in ice when we pour different temperatures of liquid on them. KS2 started the week by playing an adaptation game and researching their own animals and why they have adapted to their environment. We then looked at how as adults we can adapt to our environments if we lose the ability to use a sense through goalball- a ball with a bell in that you have to try and kick using your hearing. We all then finished the week by observing the change in different sugars when they're dissolved in water! Hopefully, a fun and educational week was had by all!
