

Stebbing Primary School

Stebbing Spotlight

Headteacher

What a year we have had! I want to thank each and everyone of our families for supporting us and appreciating everything our staff have done and continue to do to make the school as safe a place as possible. I know there have been many challenges along the way for both staff and families and I think we will be pleased to say goodbye to 2020.

Despite us not being able to run all of the usual Christmas activities, the children have still had a really wonderful time in school. I hope you have enjoyed your daily slice of the festivities via the class videos and adverts shared on Class Dojo.

2021 brings hope with the chance to be vaccinated and begin to see some normality return to our lives. Unfortunately when we return we will need to continue with the measures already in place. Therefore we will continue with staggered drop offs and pick ups, limit the amount of things that come into school and remain (as much as possible) within our class bubbles.

We are excited that our building work will finally be complete and we will have our 7 main class bases ready to welcome children back on 7th January.

All that's left to say is, wishing you all a really wonderful Christmas and a very happy new year!

Important Dates

<u>Date</u>	<u>Event</u>
07.01.21	Back to school- Start of the Spring term
