

HEADTEACHER

We were very fortunate to welcome iSingPOP to school last week for some excellent singing rehearsals before performing two concerts in the newly renovated St Marys church.

Here are a few photos of the special event.

We hope you enjoyed it as much as we did and we plan to continue to practise some of the songs as part of our weekly singing assembly.

IMPORTANT NOTICES

Just a reminder that we have the early May bank holiday so will not be in school on Monday 4th May.

SPORT

The summer term has started and sporting events are coming thick and fast with three events taking place this week. On Thursday, our year 3/4 archery squad took part in the USSP archery tournament at Lord Butler Leisure Centre competing against the best archers from the Uttlesford area. A special mention to Ephraim for earning a gold medal for his bullseye!

Today, in the glorious sunshine, our year 3/4 and year 5 tennis squads took part in the Dunmow family tennis tournament at Stebbing Tennis Club. The morning started in superb fashion with our year 3/4 team earning themselves a silver medal and a place in the USSp finals. This afternoon, our year 5 A team went one better winning the gold medal and a place in the finals. What's more, it was so lovely to see so many Stebbing children out enjoying their tennis at an incredible local facility - thank you Stebbing Tennis Club.

AFSS

Hello from the AFSS! We are aware that we have been quiet on the action front but that's only because we are preparing for a busy and fun-filled summer term. More will be revealed soon but mark Friday 5th June in your calendars for the colour run. Details on this event will be shared closer to time. If you have any insights on how to improve this event, please do get in touch as we are always in search for new and fresh ideas. On another note, we would like to take this space to thank Erica, Gunnar's mum, for setting up the Parent Volunteer Group. She has worked magic around the school on her own and with help of volunteers. The AFSS will be financially supporting Erica's plans as her vision benefits all of the school community. On top of everything she does, she's also taking part in a half-marathon and collecting money for the school improvement projects. Like she isn't busy enough lady - now she's also planning to accomplish amazing personal achievement! We are very fortunate to have her supporting Stebbing Primary school. Thank you Erica - you are a shining super star! Follow the link for her JustGiving page for donations https://www.justgiving.com/crowdfunding/erika-finch?utm_medium=C&utm_source=EM
