

HEADTEACHER

What a week!

I really want to mention last Friday and the most phenomenal Sports Day very well organised by Mr Le Masurier. It is such a special event and the children had such a lot of fun!

This week has brought huge challenges with the weather, but I am so proud of how the children (and staff) have coped with the more extreme temperatures. Thank you to the team who made adjustments and planned appropriate activities to give the children the best experiences. The highlight at the end of the week was our Splash Zone. This brought Stebbing together in such a positive way.

Finally a huge THANK YOU to our lovely parents who offered fans, ice lollies and encouragement! It really means a lot!

IMPORTANT NOTICES

JUST A REMINDER WE BREAK UP FOR THE SUMMER TERM ON MONDAY 20TH JULY

SPORT

AFSS

What an amazing start it has been to the summer term. We loved the vibrant energy of the colour run and the sponsorship monies have been divided for the classes. The fun was then continued during the sports day and we were glad to supply you with snacks and refreshments that were definitely needed on the day. The fun will continue on 3rd July when we are hosting the End of Year Party! It's going to be an epic afternoon in the school grounds with entertainment for all ages. Kids will love the bouncy castles, adults may enjoy a few Pimms and boogie off to DJ's beats. There will be food vans for the food but you may also bring your picnic and snacks. Don't forget that you only pay for children's wristband for the bouncy castles; adults and non-jumping children can come in for free. It's only £8 per school child and £5 pre-school children. Please ensure the payments are done by Thursday 2nd July into the AFSS account. We can't wait for this event as we truly believe it will be an amazing way to say goodbye to the academic year. In addition to all this, we would like to make a special mention and appreciation post for Mike Challis who nominated the AFSS for Barrett Home's charity cause. We were donated a large sum of money which will be all put towards the children in Stebbing. This money will continue paying for leavers' hoodies, the Christmas pantomime, and other events in Stebbing Primary School. Thank you!

HEADTEACHER AWARDS

	Friday 19th June	Friday 26th June

16.07.26	Ospreys trip to Cineworld
20.07.26	Last day of term

GUEST SPOT- SWAPOVER MORNING

As the end of term approaches, excitement for the summer holidays often comes with a few natural butterflies about the school year ahead. That is why our upcoming **Swapover Morning** , on Wednesday 15th July, is such a vital milestone for our children. Far more than just finding out about new classrooms, this morning is entirely focused on **connection** . By spending time in their future learning spaces, children will begin building vital relationships with their new teachers and peers, transforming the "unknown" into an exciting new adventure. This gentle bridge ensures our children feel safe, seen, and confident as they prepare for September. We encourage you to chat with your child about their experience afterward to help keep those positive connections growing at home!
