

STEBBING SPOTLIGHT

UPCOMING EVENTS

20TH MARCH 2020

ISSUE 103

Looking forward
to seeing you all
again soon

HEADTEACHER

Although Coronavirus and the ever changing advice and guidance has dominated this week, the children have still been busy in school.

Thank you to all those parents and villagers who joined us for our Science morning last week. I hope you all enjoyed working with the children and taking part.

We were able to welcome Reverend Tim Goodbody for his last assembly at school. The children and staff will be very sad to see Tim go but we wish him the very best of luck for his new venture.

COMMUNITY COHESION

Hello from our Governing Body!

Firstly, I would like to thank every member of staff for the care and commitment offered to the children and their families over the last few weeks. What a wonderful job you have all done during these uncertain times to keep some normality for each class. We have recently held our Spring meeting and thought it would be a great time to share a few updates. I would like to welcome our newly appointed parent governor, Cassie Stone, to our governing body. Cassie joined us at our full governing body meeting and is spending this term becoming familiar with our processes and procedures. After sharing Stebbing's email communication policy with parents last Autumn we have received some warming feedback from our teaching staff that parents contacting teachers electronically are being more sensitive to the time and day they send non urgent emails. This is brilliant to hear, thank you for taking the time to read the policy and helping improve our teachers work/life balance.

May I wish you all the best,
Nikki Munson, Chair of Governors

NOTES

Congratulations for the best weekly attendance...

Friday 13th March - Kestrels

Thursday 19th March - Owls

SPORTING EVENTS

Whilst Coronavirus has decimated our sporting calendar this week and going forwards, prior to the change of regulations, we managed to squeeze in a few events.

On Thursday 12th March 2020 our KS1 multi-skills inclusion event took place where a selection of children took part in a range of activities at Great Easton Primary School including Boccia, new age Kurling, hand eye-coordination and much, much more. All of the children, enjoyed a fantastic morning and took part in all of the activities with fantastic enthusiasm and positivity.

We also held a fantastic Sport Relief day with all of the children taking part in a wide range of activities. Hopefully you have had the chance to look at our video on Class Dojo.
