|---|---|--|---|
| <p>This year I will perform in the Christmas play.</p>  |    | <p>I will practice the play with my teacher and class.</p>                                     |    |
| <p>I will wear a different outfit for the play.</p>   |    | <p>I will perform the play in the hall.</p>  |    |
| <p>There will be lots of people in the hall. It might feel busy and crowded.</p>                                  |   | <p>I might see my family or people I know in the audience.</p>                                 |   |
| <p>It might be noisy at first as people in the audience will be chatting and the children might feel excited.</p> |  | <p>I will sit with my class until it is my time to perform.</p>                                |  |
| <p>I will stand up and sing songs with my class.</p>  |  | <p>I will go onto the stage to perform the play.</p>   |  |
| <p>When I am not singing or acting on stage, my voice will be off.</p>  |  | <p>If I feel unhappy or uncomfortable, I can ask an adult for help or look for my teacher.</p> |  |
