Stebbing Primary School

Starlings Wraparound Provision FAQs

- What will the Wraparound Care Club be called? We are naming the club Starlings as starlings tend to stick together in a group and work together and it follows our school bird theme!
- Can my child still attend a club until 4pm and then go to Starlings? Yes, they will be able to go to Starlings from 4pm.
- Can I pick them up earlier than 6pm? Yes, you can. We are having a new intercom system fitted on the side gate which will link straight to the POD and you will be able to notify staff that you are at school.
- How do I book? Please follow the Google form link to sign up. You will then be able to pay for the club in the same way that you pay for other clubs.
- What if my child doesn't attend? Please still notify the office so that we are aware your child won't be attending. You will still be charged
- Can I book one off sessions? Yes, you can by contacting the office to see if a one off space is available.
- Do you have other questions? Please feel free to speak to Mrs Heys
