Outline of Projected Primary Sport Premium Spending 2016-2017

Key Objectives	Projected Cost	Strategies	Outcome	Final Cost	Evidence/Sustainability
Pay to be part of the Uttlesford School Sport Partnership.	£900	Jackie Coleman and Nick Wilderspin to offer level 1, 2 and 3 competitions throughout the year. Regular PLT meetings. Access to competitions, CPD and network of other PLT's from local schools.	Maintain similar attendance to competitions from previous years. Increase number of teachers sent on training courses. Attend PLT termly PLT meetings.	£900 + £175	42 USSP competitions attended throughout the year. - 10 level 1 (increase by 11%) (Inter-house events) - 28 level 2 (decrease by 15%) - 13 level 3 (increase by 225%) - 1 level 4 (remains the same) Additional fee was to cover the cost of medals for all sporting events throughout the year (all schools within the partnership were asked to contribute).
Maintain and improve physical education equipment.	£1000	Inventory carried out at the end of each year. New equipment required to be ordered at the start of the year. Smaller orders to be done throughout the year to top up on equipment.	Physical Education equipment always ready, prepared and well-maintained for use whenever it is required.	£792.13	No small orders were needed to be carried out during the year. All sporting equipment has been utilised at different points throughout the year. All activities and sports have been able to be carried out due to the extensive range of equipment that we have at school. Potential purchases for next year are larger and softer high jump mats to avoid impact on ankle and knees.

Maintain and improve active play time activities.	£200	<p>Purchase and organise new play equipment to ensure all children offered range of active play time activities during their break and lunch times.</p> <p>Meet with Heidi and school council termly to discuss any issues, new ideas or replacement of equipment.</p>	Wider range of activities for children to be available for all children during their active play times.	£0	<p>AFSS donated new play equipment.</p> <p>Issues this year with the upkeep and care of lunch time and play time equipment. Look in got using year 5s as play leaders to reduce load on year 6 children.</p>
Improve Physical Literacy of children entering the school in reception and year 1.	£300	<p>Nick Wilderspin to be employed for 10 x 1 hour sessions to deliver physical literacy sessions for all children in Wrens class.</p> <p>Teacher to observe and use as CPD to continue to teach throughout the year.</p> <p>Benefits to be monitored through teacher and coach questionnaires alongside pre and post assessment of key skills.</p> <p>Purchase story books to support the teaching of Physical education in EYFS and KS1.</p>	<p>Improved quality of teaching of PE for all children entering the school in Wrens class.</p> <p>Improved set of results from the pre-testing to the post-testing of key skills in Wrens class.</p> <p>Improved teacher confidence in the teaching of physical literacy.</p>	£0	<p>Unfortunately Nick was unable to fulfil this physical literacy intervention this year. I aim to try again next year as it was proven to be extremely beneficial for staffing confidence when teaching PE to EYFS and a significant improvement in the children's proficiency when it comes to physical literacy.</p> <p>If Nick is unavailable, look at other ways that this could be implemented.</p>
Raise the awareness of the importance of a healthy lifestyle to targeted groups.	£1260	<p>Provide adults to plan and deliver Change4Life sessions to specifically identified children who we feel will benefit from developing a positive attitude to food and exercise.</p> <p>Fund CPD for Change4Life leaders.</p>	<p>Increased understanding of a healthy active lifestyle and how to make healthy decisions in a key group of children.</p> <p>Increased physical activity across the whole school.</p> <p>Children who attend Change4Life start to attend sports clubs.</p>	£1260	<p>7 children have progressed through the Change4Life scheme this year. 3 of those attending have attended additional physically active clubs throughout the year and have expressed improved attitudes and motivation towards attending sports clubs in the future.</p> <p>Whilst conducting review of this year's attendance, new children have been identified for next year in order to increase participation and to continue to target those children who are less physically active.</p>

<p>Maintain and improve provision of extra-curricular activities.</p>	<p>£700</p>	<p>Continue to provide children with a wide range of sports and active clubs before school, at lunch and after school to encourage, engage and develop children's confidence, fitness and skill-set through sporting activities.</p> <p>Ensure extra-curricular activities are offered to children of all abilities and remove possible boundaries to participation in clubs.</p> <p>Consider current cohort of children and adapt club structure to suit children's interests.</p> <p>Use funding as required to give ALL children the opportunity if the children are unable to attend due to finance reasons.</p>	<p>Increased participation in sporting and active clubs throughout the year.</p> <p>Increased range of activities and sports available to all children (KS1 & KS2).</p>	<p>£0</p>	<p>No new clubs added this year. We currently offer a wide range of sports and activities clubs and have reached our limit at present. This is due to lack of space and time within the school week.</p> <p>Only available space within the week is before school. However, these clubs would need to finish prompt at 08:30 to allow gym trail to run. Potential to run a dance club before school – something to look into for next year.</p> <ul style="list-style-type: none"> - Weekly participation in physically active clubs up 25%. - 80% of pupils taking part in physically active clubs on an average week. - KS2 girls weekly participation up 49%. - Boys participation in physically active clubs up 28%. - Sports premium used to fund one child's attendance at cheerleading club. This lead to one other boy attending.

<p>Continue and develop reward scheme.</p>	<p>£50</p>	<p>Reward participation and commitment to extra-curricular activities through the schools internal rewards scheme.</p> <p>Gold, silver and bronze stars awarded at the end of the year for different levels of participation to more than 3 clubs for KS1 or more than 5 clubs for KS2.</p>	<p>Ensure all children who meet the requirements are rewarded for their commitment to extra-curricular activities.</p> <p>All club coaches and teachers to keep record of attendance at their club in folder in the school office.</p>	<p>£40.14</p>	<p>43 reward stars given out this year. Slight decrease from last year from 48 stars awarded.</p> <p>- 22 x gold - 10 silver - 11 bronze.</p>
<p>Purchase reward trophies and engraving of awards.</p>	<p>£100</p>	<p>Sports day, inter-house and sports awards purchased to encourage and motivate children and to provide a form of extrinsic motivation to work alongside the intrinsic motivation that we try to instil in the children.</p>	<p>Trophies awarded at sports day to reward winners of a range of competitions.</p>	<p>£80</p>	<p>Trophies engraved following sports day and multi-skills morning which are then awarded and placed within the trophy cabinet. Children are visibly thrilled when awarded with trophies.</p>
<p>Charitable Donation to the Stebbing Community Minibus</p>	<p>£500</p>	<p>Provide transport to and from sporting events to provide children with the opportunities to test themselves and to compete in a fun and friendly environment against schools in the local area.</p>	<p>Ensure that transport is not a barrier to prevent children from competing in sporting events.</p>	<p>£500</p>	<p>The Stebbing Community Minibus has been used on 19 sporting events this year. Last year we paid £1229.75 for transport so this flexible annual donation of no more than £500 will prove extremely cost effective going forwards. With the cost of coach transport (detailed below) we will be saving a considerable amount of money on a yearly basis.</p> <p>Mr Le Masurier is on the Stebbing Community Minibus Committee and has plans keep the minibus on the school's grounds in the near future once the building work has been completed.</p>

Fund the training of a driver to drive the Stebbing Community Minibus to sporting events.	£1000	Tom Le Masurier to attend training and to pass a test to enable a member of staff to be able to drive the Stebbing Community Minibus. Sporting events planned in advance and minibus booked for all suitable events.	Reduce the cost of transport to and from events in the long term. Reduce the reliance on staff and parent drivers to transport children to events.	£885	Mr Le Masurier successfully took the Minibus test enabling him to drive any minibus on behalf of Essex County Council. This means we are less reliant on external companies in the future. A one off payment which will enable the school to save a significant amount of money every year.
Provide transport to and from larger events with more than 20 children in attendance.	£300	Provide transport to and from sporting events to provide children with the opportunities to test themselves and to compete in a fun and friendly environment against schools in the local area.	Ensure that transport is not a barrier to prevent children from competing in sporting events.	£261	We have hired a coach for 2 events this year to transport larger groups of children to and from sporting events which has enabled us to take more children to these events.
Increase links to external sports clubs	£200	Fund coaches from local sports clubs to run taster sessions after school to encourage children to take their enjoyment of specific sports further.	Increase use of external coaches to run taster session of a range of sports and activities.	£0 Voluntary	Two external coaches have delivered different gifted and talented workshops (Dance & Athletics) forming greater links with local external clubs and providing children with specialised coaching and advise and a route into sports outside of school sport.
Improve the confidence and quality of delivery of the Physical Education curriculum.	£200	Teachers to attend relevant professional development courses organised through the Uttlseford School Sports Partnership. Utilise teachers' enthusiasm for specific areas of the PE curriculum to enhance and develop their understanding which will in-turn develop the provision of PE to all pupils.	Teachers to report and demonstrate an increased confidence in the teaching of Physical Education.	£0	A few of the CPD events that we had planned to attend this year were cancelled and therefore we have not attended any PE CPD events this year. Target for next year is to plan in advance the CPD events that members of staff would like to attend and to get them in the diary at the start of the year or when we are made aware of them to ensure that our teachers and support staff are confident in the planning and delivery of high quality PE lessons.

Support Gifted & Talented pupils	£0	Additional sessions delivered half-termly by Mr Le Masurier and specific sports coaches organised after school to develop the children's abilities further across a range of sports.	<p>Gifted and talented pupils to attend 6 sessions throughout the year.</p> <p>Improved performance on key skills assessments throughout the year.</p> <p>Develop an assessment system to monitor the effectiveness of the Gifted and Talented programme looking at baseline measures and end of year results in core skills..</p>	£0	<p>21 children attended the gifted and talented programme this year. 6 sessions delivered over the year to extend the more able sports individuals within the school. Open to increase this number to a maximum of 30 children if required.</p> <p>Look into ways at identifying talent at an earlier age. Could we invite KS1 children?</p>
Improve the use of sports and house captains within the school community.	£50	<p>Fund coaching sessions delivered by Jackie Coleman to help the children understand their roles and develop their skills as sports leaders and captains.</p> <p>Develop their roles and responsibilities within the school.</p> <p>Create a video showcasing sports at Stebbing Primary School.</p>	All captains to report and demonstrate increased confidence with their roles.	£0	<p>Unfortunately we were unable to attend the training delivered by Jackie due to a conflict of events.</p> <p>However, training was provided in house and the sports and house captains and house leaders planned, organised and ran a KS1 three tees cricket inter-house competition for all of KS1 to compete in.</p>
Deliver Bikeability sessions to all year 6 children.	£0	Run Bikeability level 2 sessions for all year 6 pupils.	Improved confidence of all year 6 children riding a bike safely on and off the road.	£0	All children in year 6 given the opportunity to go through the level 2 bikeability training programme.

Make swimming affordable for every family.	£2000	Part fund the upkeep and maintenance of the swimming pool	To reduce the cost of swimming for families.	£2170 £86.50 (GDLC booking)	Parents charged a voluntary contribution of £50 per child. 100% of year 6 children leave Stebbing Primary School being able to swim 25m. In order to report swimming data for our year 6 children we hired out the local 25m pool to ensure we could accurately monitor and report the number of year 6 children who can confidently swim 25m.
Promote an active and healthy lifestyle	£10,000 MAX	Purchase new playground equipment to add to our growing range of active play equipment. Deliver training and coaching sessions on the new outdoor gym equipment to ensure all equipment is used safely and effectively.	Increased number of children involved in daily exercise. Improved understanding of how to keep fit and healthy.	£9,000 (-£3,000: AFSS Donation) £6,000	Due for installation over the Summer holidays due to hold ups with other building projects within the school. Equipment will be installed ready for use in the new academic year.
Improve the teaching of Physical Education within KS2		Fund specialist PE teacher to deliver PE lessons to all KS2 children on a rotation system.	Improved continuity in the teaching of PE across all KS2 year groups.	£4,050	Clear progress in the children's sporting abilities due to the consistent teaching approaches adopted whilst utilising the Primary PE Planning curriculum and teaching plans.

Motivate and inspire children to be physically active		Athlete visit from a formed World Champion.	Inspire all children within the school to see what can be achieved with hard work, dedication and resilience.	£354	Children were noticeably engaged throughout the afternoon and learnt new skills.
		Bounce workshop with the whole school. 30 minute sessions per class.	Encourage children to be physically active and get involved with a wider range of sports and physical activities.	£450	All children within the school met their 30 minutes of physical activity for the day whilst taking part in a new sport that they may wish to continue to pursue outside of school.
Marathon Day Celebrations		Fund the purchase of medals and decorations to inspire young children to be physically active during our marathon day celebrations.	All children took part in the event which saw them receive a medal for their participation.	£263.64	All children took part in an afternoon of running, jogging and walking to celebrate one of our members of staff running the marathon and raising money for the school.
