

PRIMARY PE & SCHOOL SPORT PREMIUM GRANT
Stebbing Primary School
2018-2019

Primary PE & Sport Grant Awarded	
Total number of pupils on roll	141
Total Grant Amount	£17,400
PE & School Sport Co-ordinator	Tom Le Masurier
Governor responsible for PE & School Sport	Nikki Munson

Objectives

Objectives of spend:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

Outline of Projected Primary Sport Premium Spending 2018-2019

Key Objectives	Projected Cost	Strategies	Outcome	Final Cost	Evidence/Sustainability
Pay to be part of the Uttlesford School Sport Partnership.	£900	Jackie Coleman and Nick Wilderspin to offer level 1, 2 and 3 competitions throughout the year. Regular PLT meetings. Access to competitions, CPD and network of other PLT's from local schools.	Maintain similar attendance to competitions from previous years. Increase number of teachers sent on training courses. Attend PLT termly PLT meetings.	£900 + £175 +£33	57 USSP competitions attended throughout the year. - 16 level 1 (Increase of 60%) (Inter-house events) - 28 level 2 (remains the same) - 12 level 3 (remains the same) - 4 level 4 (increase of 300%) Additional fee was to cover the cost of medals for all sporting events throughout the year (all schools within the partnership were asked to contribute). Additional fees requested by Jackie Coleman to fund medals for all competitions throughout the year. Additional cost to fund Brogan's attendance at a dance competition.
Maintain and improve physical education equipment.	£1000	Inventory carried out at the end of each year. New equipment required to be ordered at the start of the year. Smaller orders to be done throughout the year to top up on equipment.	Physical Education equipment always ready, prepared and well-maintained for use whenever it is required.	£1277.75	All sporting equipment has been utilised at different points throughout the year. All activities and sports have been able to be carried out due to the extensive range of equipment that we have at school. The equipment is being looked after better and no longer needs to be replaced as often.

Maintain and improve active play time activities.	£200	<p>Purchase and organise new play equipment to ensure all children offered range of active play time activities during their break and lunch times.</p> <p>Meet with Heidi and school council termly to discuss any issues, new ideas or replacement of equipment.</p>	Wider range of activities for children to be available for all children during their active play times.	£0	New play equipment was funded by the AFSS this year. Therefore, there was no requirement to utilise any of the sports premium grant.
Improve Physical Literacy of children entering the school in reception and year 1.	£300	<p>Nick Wilderspin to be employed for 10 x 1 hour sessions to deliver physical literacy sessions for all children in Wrens class.</p> <p>Teacher to observe and use as CPD to continue to teach throughout the year.</p> <p>Benefits to be monitored through teacher and coach questionnaires alongside pre and post assessment of key skills.</p> <p>Purchase story books to support the teaching of Physical education in EYFS and KS1.</p>	<p>Improved quality of teaching of PE for all children entering the school in Wrens class.</p> <p>Improved set of results from the pre-testing to the post-testing of key skills in Wrens class.</p> <p>Improved teacher confidence in the teaching of physical literacy.</p>	£0	Unfortunately, Nick could not be available for this programme. We will try again next year with Nick as it was extremely beneficial both for the children involved and for the observing teachers.
Raise the awareness of the importance of a healthy lifestyle to	£1260	Provide adults to plan and deliver Change4Life sessions to specifically identified children who we feel will benefit from	Increased understanding of a healthy active lifestyle and how to make healthy decisions in a key group of children.	£739.26	7 children have progressed through the Change4Life scheme this year. 4 of those attending have attended

<p>targeted groups.</p>		<p>developing a positive attitude to food and exercise.</p> <p>Fund CPD for Change4Life leaders.</p>	<p>Increased physical activity across the whole school.</p> <p>Children who attend Change4Life start to attend sports clubs.</p>		<p>additional physically active clubs throughout the year and have expressed improved attitudes and motivation towards attending sports clubs and have a better understanding of how to lead a active, healthy life.</p> <p>Whilst conducting review of this year's club attendance, new children have been identified for next year in order to increase participation and to continue to target those children who are less physically active.</p>
-------------------------	--	--	--	--	--

Maintain and improve provision of extra-curricular activities.	£200	<p>Continue to provide children with a wide range of sports and active clubs before school, at lunch and after school to encourage, engage and develop children's confidence, fitness and skill-set through sporting activities.</p> <p>Ensure extra-curricular activities are offered to children of all abilities and remove possible boundaries to participation in clubs.</p> <p>Use funding as required to give ALL children the opportunity if the children are unable to attend due to finance reasons.</p>	<p>Increased participation in sporting and active clubs throughout the year.</p> <p>Make use of Tuesday, Wednesday and Friday before school (07:30-08:30 – the only time slots available) to run a dance club for KS1 & KS2 as dance is the one main activity that we do not currently provide extra-curricular opportunities for at Stebbing Primary School.</p>	£0	<p>1 new club added this year (Jump Start).</p> <p>- Weekly participation in physically active clubs up 17%</p> <p>- 81% of pupils taking part in at least one physically active club on an average week.</p> <p>- Girls weekly participation up 17%.</p> <p>- 94% of children attending at least one extra-curricular, inter-school event.</p>
	£350	<p>Bounce training course attended by Jo Clayden with the view to start up a 'Bounce' themed club starting in September.</p>	<p>Increased range of activities and sports available to all children (KS1 & KS2).</p>	£350	<p>Trampolines were utilised every week for the Jump Start club before it had to be stopped. The mini trampolines have also been utilised in weekly PE lessons, during Change4Life club and in Gym Trail.</p>
	£500	<p>Initial cost of 15 trampolines for the new 'Bounce' inspired club.</p> <p>(Children charged £2 to cover the cost of starting up this new club)</p>		£449.84	<p>£924 received in payment for the Jump Start club which has covered the cost of starting the club up in the first place. If we are to continue with the club, it will become a free club.</p>

<p>Continue and develop reward scheme.</p>	<p>£50</p>	<p>Reward participation and commitment to extra-curricular activities through the schools internal rewards scheme.</p> <p>Gold, silver and bronze stars awarded at the end of the year for different levels of participation to more than 3 clubs for KS1 or more than 5 clubs for KS2.</p>	<p>Ensure all children who meet the requirements are rewarded for their commitment to extra-curricular activities.</p> <p>All club coaches and teachers to keep record of attendance at their club in folder in the school office.</p> <p>Look into new and improved ways to monitor club attendance to ensure a more accurate and consistent approach is utilised. All teachers to utilise Google Docs or suitable applications or programmes to take registers. Meet with Mrs Gustavina to find a system that will work for all parties involved.</p>		<p>50 reward stars given out this year. Slight increase from last year where 43 stars were awarded.</p> <ul style="list-style-type: none"> - 30 x gold (36% increase) - 4 x silver (60% decrease) - 16 x bronze (45% increase)
<p>Purchase reward trophies and engraving of awards.</p>	<p>£100</p>	<p>Sports day, inter-house and sports awards purchased to encourage and motivate children and to provide a form of extrinsic motivation to work alongside the intrinsic motivation that we try to instil in the children.</p>	<p>Trophies awarded at sports day to reward winners of a range of competitions.</p>	<p>£467.40</p>	<p>Additional cost of £280 - Marathon medals purchased to reward children for their participation in the marathon day celebrations.</p>

Charitable Donation to the Stebbing Community Minibus	£500	Provide transport to and from sporting events to provide children with the opportunities to test themselves and to compete in a fun and friendly environment against schools in the local area.	Ensure that transport is not a barrier to prevent children from competing in sporting events.	£500	The Stebbing Community Minibus has been used on 33 sporting events this year. This has enabled us to take A, B and C teams to multiple events as we have been less reliant on parent transport and/or hiring a coach/minibus. This works out to just over £15 per trip.
Provide transport to and from larger events with more than 20 children in attendance.	£300	Provide transport to and from sporting events to provide children with the opportunities to test themselves and to compete in a fun and friendly environment against schools in the local area.	Ensure that transport is not a barrier to prevent children from competing in sporting events.	£1321.85	Coach and minibus transport utilised to help the children attend 14 different sporting events throughout the year. This is higher than we would like. However, with the cost of coach transport increasing and the number of events attending, this will naturally increase.
Increase links to external sports clubs	£200	Fund coaches from local sports clubs to run taster sessions after school to encourage children to take their enjoyment of specific sports further.	Increase use of external coaches to run taster session of a range of sports and activities.	£0	Free taster sessions delivered by Sheetal (Tennis coach at Stebbing Tennis club) where we have developed a partnership. Sheetal delivered two terms of tennis coaching this year and going forwards will deliver one term of tennis every year. In return, our role is to advertise the local tennis club. We now have links with 8 clubs who we direct children to, to experience specialist coaching in specific sports.

<p>Improve the confidence and quality of delivery of the Physical Education curriculum.</p>	<p>£200</p>	<p>Teachers to attend relevant professional development courses organised through the Uttlseford School Sports Partnership.</p> <p>Utilise teachers' enthusiasm for specific areas of the PE curriculum to enhance and develop their understanding which will in-turn develop the provision of PE to all pupils.</p>	<p>Teachers to report and demonstrate an increased confidence in the teaching of Physical Education.</p> <p>In order to quantify this, a questionnaire is to be conducted at the start and at the end of the academic year to determine whether the CPD has been effective.</p>	<p>£0</p>	<p>No CPD events attended this year.</p> <p>I will be conducting an audit of staff confidence in teaching PE in the new academic year to determine the training needs of the current staff base.</p>
<p>Support Gifted & Talented pupils</p>	<p>£0</p>	<p>Additional sessions delivered half-termly by Mr Le Masurier and specific sports coaches organised after school to develop the children's abilities further across a range of sports.</p>	<p>Gifted and talented pupils to attend 6 sessions throughout the year.</p> <p>Improved performance on key skills assessments throughout the year.</p> <p>Develop an assessment system pre and post programme to monitor the effectiveness of the Gifted and Talented programme looking at baseline measures and end of year results in core skills..</p>	<p>£0</p>	<p>25 children attended the Gifted and Talented programme this year (an increase of 19%).</p> <p>The programme will continue next year but will be renamed 'PE Stars' to fit in with the newly titled Gifted and Talented.</p>
<p>Improve the use of sports, house captains and house leaders within the school community.</p>	<p>£50</p>	<p>Fund coaching sessions delivered by Jackie Coleman to help the children understand their roles and develop their skills as sports leaders and captains.</p> <p>Develop their roles and responsibilities within the school.</p> <p>Create a video showcasing sports at Stebbing Primary School.</p>	<p>All captains to report and demonstrate increased confidence with their roles.</p> <p>Deliver training to sports captains to support them with their management of inter-house competitions and how to coach and support younger children within competitive environments.</p>	<p>£0</p>	<p>Jackie delivered free coaching to all sports captains, house captains and house leaders at the start of the year to help them fulfil their roles throughout the year.</p> <p>This culminated with all the leaders planning, running and delivering a KS1 three tees cricket tournament.</p>

Deliver Bikeability sessions to all year 6 children.	£0	Run Bikeability level 2 sessions for all year 6 pupils.	Improved confidence of all year 6 children riding a bike safely on and off the road.	£0	92% of took part in bikeability this year (23/25 year 6 children) with all children who took part achieving their level 2 badge.
Make swimming affordable for every family.	£2000	Part fund the upkeep and maintenance of the swimming pool	To reduce the cost of swimming for families. To ensure all children leave Stebbing Primary School being able to swim 25m confidently.	£2300	All children from reception to year 6 received 2 x 30 minute swimming sessions throughout the Summer term. This equates to 12 hours of swimming lessons for each child. Parents are also invited to make a voluntary contribution of £25 towards the cost of swimming. 92% of year 6 children can competently swim 25m in a range of strokes.
Promote an active and healthy lifestyle	£1000	Buy into the new maths of the day program to support our new initiative to encourage children to be more physically active. Present to the parents at meet the teacher evening to discuss current issues with regards to children being less physically active. Introduce the new 30/30 initiative whereby we will ensure all children are	Increased number of children involved in daily physical activity. Improved understanding of how to keep fit and healthy. Improved attitudes of all children, staff and parents towards encouraging children to be physically active for 60 minutes a day.	£0	Maths of the Day programme is running within school and teachers are making use of the resources. It was decided that it was heavily focused on maths rather than being physically active and therefore has not been taken from the Sports Premium Grant.

		<p>physically active for at least 30 minutes within school. Parents are to then ensure that the remaining 30 minutes is taken care of at home.</p> <p>Purchase additional resources to support the new 30/30 programme.</p> <p>Deliver training and coaching sessions on the new outdoor gym equipment to ensure all equipment is used safely and effectively.</p>			
<p>Improve the teaching of Physical Education within KS2</p>	<p>£4,050</p>	<p>Fund specialist PE teacher to deliver PE lessons to all KS2 children on a rotation system.</p>	<p>Improved continuity in the teaching of PE across all KS2 year groups.</p>	<p>£4,688</p>	<p>With a specialist PE teacher taking the PE lessons for all KS2 year groups, there is a clear continuity and progression that is evident. This will prove beneficial in the long run as children will be able to develop on their skills as they move through the year groups.</p> <p>All teachers are still making good use of the Primary PE Planning documents whilst using the assessment wheels where appropriate to make judgements on the children's progress.</p>

Ensure the sports hall is safe for use following building work	£4000	Part fund the installation of a new sports hall floor.	Continue to improve the sporting areas within the school to ensure they are all fit for purpose.	£4000	There has been a slight delay in this project. However, with building work now underway, Mr Le Masurier and Miss Mawson have been actively seeking the best possible flooring for the multi-purpose use that our school hall serves.
Continue to stretch the more able children		Fund the participation in the Swimathon challenge	Fund the participation of a group of 12 children who have been identified as confident and competent swimmers to take part in the swimathon challenge where they were tasked with swimming 5km within their team.	£63	All children competed the challenge and raised over £1300 for charity.
		Sponsorship found for a new netball kit.	14 x new netball kits purchased from Kukri in the school colours utilising the £500 sponsorship received from Agri (a child's parent's company).	£523.84 minus the £500 donation equals £23.84	14 x brand new netball kits with Velcro attached for the positions which will make the rotations at tournaments a lot easier. It will also enable our A and B teams to wear the same kit when competing in the same tournament. The skorts and shorts will be purchased using next year's Sports Premium Grant.
Summary					
				Projected	Actual
Total Premium received				£17,400	£17,000
Total Premium spend				£17,160	£17,288.94
Premium remaining				£240	-288.94
